**7.****KEY PERSONNEL**

**ARKHOS** has all the requisite resources at her disposal for prompt execution of projects. We have sound and experienced personnel who are backed up with adequate finance, equipment and workshop facilities.

**8.0****ORGANIZATIONAL STRUCTURE**

## FINANCIAL CAPABILITY

**ARKHOS** has successfully delivered a number of materials with turn-over running into several millions of naira on non borrowing basis.

We believe that the best source of funding for any project is safe, good management, prompt handling and delivery on award of any contracts we have the capacity to complete mobilization of all resources at very short notice considering that we are in direct contact with our partners and manufacturers.

Apart from this, we have good working understanding between us and our banker. Our bankers are ready to finance our contracts to any size required.

Our bankers are:

- FIRST BANK PLC
- ZENITH BANK

All these banks are in Port Harcourt. These Banks are solid and are among the top 10 most capitalized banks in Nigeria. With their backing we can handle order valued over N500, 000,000.00 (Five Hundred Million Naira) and above.

## 10.1 STATEMENT OF SECURITY POLICY

It is **ARKHOS** policy to identify, evaluate and manage the risks to personnel and property, arising from malicious practices, crime, civil disorder or armed conflict.  
Implication of this policy:

1. If sufficient physical threats exist against our people and property we would expect the forces of law and order of the state to give us appropriate protection. The right to use force rests with the state. In pursuance of the mission and objectives of the security management system, line management will draw on the services of **ARKHOS** security department and, through the latter, the support of the **ARKHOS** supernumerary police unit, the Nigeria police force and other Nigeria security organizations as required, subject to (ii) and (iii) below.
2. **ARKHOS** will not operate in an environment where the continuous development of military or Para-military forces is required to comply with the above policy, except where development is at the instance of Government for protection of key national facilities.
3. Where the lives of personnel are at risk, **ARKHOS** recognizes that the development of military or paramilitary forces by the government, in support of the police and civil authorities, may be necessary for as long as is required to restore law and order if protection cannot be achieved by other means.
4. This policy will be pursued in compliance with **ARKHOS** guidelines on use of external security agents, insofar as **ARKHOS** is able to exercise control.
